

The Old Downs Residential Care Home residents make festive cards

Last week our residents at The Old Downs Residential Care Home joined in to make their own Christmas cards for their families.

Everyone enjoyed having their **photo** taken with a Christmas hat and a glass of wine; we laminated the photos and framed them in Christmas cards. *They look fantastic!*

Our ladies and gents loved writing **Christmas messages** to their loved ones and we know our families will be delighted to receive them.

Writing a special message....
