

## Valentines arts and crafts at The Old Downs Residential Care Home

Last week our residents started to prepare for Valentine's Day in our arts and crafts session at The Old Downs Residential Care Home.

Our ladies **created their own special hearts** using materials from our craft box – red card, tissue paper, stickers, heart cut-outs and decorative gems.

Everyone thoroughly enjoyed this activity and the **memories it evoked** for them, and their hearts are beautiful.

*We are all looking forward to celebrating the 14 February together!*
