

Vintage music show at The Old Downs Residential Care Home

We were delighted to welcome a theatrical production company to The Old Downs Residential Care Home recently.

The ladies, who performed a wonderful repertoire of 40s, 50s and 60s music, wore some amazing colourful costumes and got us all flag waving to the songs!

Our residents had such a wonderful time reminiscing and enjoying the tunes - *thank you to the performers for giving us such a brilliant show.*
