

## World Letter Writing Day at The Old Downs Residential Care Home

**On Wednesday 1 September we celebrated World Letter Writing Day here at The Old Downs Residential Care Home, to acknowledge hand written letters and the wonderful connections people can forge through correspondence.**

Some of our residents joined in to **write a thank you letter to all our staff at our Home.**

We decorated our letter with beautiful flowers and our residents enjoyed writing their personal thank you messages.

Jean said *"It's a lovely thing to do!"*
